## Shehee & Callahan Family Orthodontics Launches New Web Site

Things are looking a bit different on our web site these days. We recently relaunched our site with a brand new look and more useful information and tools for our patients.

### Some of the new features of our site include:

- What Sets Us Apart Section
- Online Appointment Request
- Office Photo Tour
- Patient Photo Gallery
- Patient Testimonials
- Contest Information

If you'd like to have your photo included under our before/after gallery, send us an email at [smile@shehee.com](mailto:smile@shehee.com). We'd love to feature your beautiful smile on our site. And don't forget to send us a card or letter or post on our facebook page if you want to be included as a testimonial on the site. We love to hear from our patients and their families.

Please visit the site today at [www.shehee.com](http://www.shehee.com). Have a look around, share the site with your friends, and let us know what you think!

### In This Newsletter:

## Congratulations To Our Contest Winners

### Meredith Gretzinger - Share a Smile Contest Winner

Meredith won an iPad in our Share a Smile Contest that ran from July until November.

Anyone who started treatment during that time or referred someone who started treatment was entered into the drawing.

**You could win big too. All you have to do is refer someone to our practice and if they start treatment you'll be entered into our drawing for a \$100 American Express cash card. We'll draw a new winner each month, so keep telling your friends about us!**

### Jennifer Wilson - October Facebook Contest Winner

Jennifer Wilson won our very first Facebook contest. Everyone who "liked" our page or reviewed us on Facebook was entered into the drawing. She won an iPod Shuffle.

### Allison Whitman - November Facebook Contest Winner

Allison Whitman won our November Facebook Contest. We asked fans to post on our page about why they are thankful for their smile. Allison won a \$25 American Express cash card.

## Shehee and Callahan Join Smiles Change Lives

Smiles Change Lives is a national nonprofit organization that promotes and provides access to life-changing, essential orthodontic treatment for children

from low-income families. Since 1997, this organization has changed the lives and smiles of more than 1,200 children due to the dedication of hundreds of orthodontists nationwide - and now Drs. Shehee and Callahan will be able to help local children who otherwise would not be able to afford a beautiful, healthy smile.

Interested candidates are encouraged to visit [www.smileschangelives.org/qualify](http://www.smileschangelives.org/qualify) to determine if their family meets the financial guidelines. You must apply online at the Smiles Change Lives web site.

Families interested in applying can review program guidelines and download an application at [www.smileschangelives.org/apply](http://www.smileschangelives.org/apply) or by calling 888-900-3554. Drs. Shehee and Callahan are not involved in the screening and selection of candidates. This is done through the National Smiles Change Lives program and our doctors have no control over who is selected to receive treatment.
